

## *Cover of River by Ibeyi*

come to your river  
I will come to your river  
I will come to your river

come to your river  
wash my soul  
I will come to your river  
wash my soul  
I will come to your river  
wash my soul again

come to your river  
I will come to your river  
I will come to your river  
wash my soul again

come to your river

to your to your to your  
to your to your river  
come to your river  
come to your river

come to your river  
come to your river
